

CASPER COUNTRY CLUB

Randy's Farewell Open House

Saturday, April 13th
4-6 pm

As you all know our long-time grounds superintendent, Randy Norvelle, left the club in January to take a position with the City of Casper. It's time to give him the send-off he deserves -- so we ask that our members come out on the 13th to wish him good luck. A variety of hors d'oeuvres will be served and a cash bar will be available.

FROM THE PRO SHOP

By the time you receive this it will be officially Spring and our golf season will soon be under way!

This time of year is the perfect time to have your clubs re-gripped. Please come by and see Joe or myself if you are interested in the many new grips offered for 2019. Also, perhaps your shoes could use new spikes before that first round!

Speaking of first rounds Men's Kick off is Sunday May 5th with breakfast at 7:30am and a shotgun start at 9:00am (the pro shop will make the pairings).

The golf shop is gearing up and we are looking forward to the arrival of new merchandise during April and into May, so be sure to come by, say hello, and look around. If you are in the market for new clubs we will have Taylor Made, Titleist, Mizuno, Cleveland and Callaway golf equipment to choose from. We recommend your clubs be custom fit, so call us to setup an appointment for a fitting session, which takes about 30 minutes. There is no charge, no obligation and your custom fit clubs are the same price you would pay if you bought them from a major online retailer!

Titleist Loyalty Reward program has just kicked-off. To say thank you for trusting your game to Pro V1, purchase 3 dozen Pro V1 or Pro V1x and receive 1 dozen free. Also, you can personalize your golf balls at no additional charge. If you are interested please call or stop by the pro shop and we will take your order. Orders must be placed by 4/22/19.

There are entry forms in the Pro Shop for the "14th Annual Cast and Swing Tournament" which will be held on Saturday May 18th & 19th 2019. Fishing will take place on Saturday May 18th, Golf and Dinner/Awards will be on Sunday the 19th. If you have played in this event before you know how much fun it is and we hope to see you again. If this is new to you and you would like more information, please feel free to call or stop by the Golf Shop and I will happily give you any additional insights into this event.

The 2019 Junior Golf Packet is available in the Pro Shop. The packet consists of a 1-page schedule for dates & times, general information about the program and a registration sheet.

April Shop Hours: Weekdays – 9:00 A.M. to 6:00 P.M. Weekends - 8:00 A.M. to 6:00 P.M.

I am looking forward to great 2019 golf season!

CASPER COUNTRY CLUB

A MESSAGE FROM THE BOARD

Spring has sprung and everyone is excited to put winter in the rearview mirror and bring on the golf season. Unfortunately, the Club once again finds itself again in a transition period. The search for a new GM has begun and we already have some very good candidates that have shown interest in our Club. As we move forward through this process, I believe the Club is going to come out stronger on the other end. Please contact me or any of the Board members with any thoughts or concerns.

As the Casper Country Club approaches its 100th anniversary in 2021, there are many things, both long and short term, that need to be addressed. We will be diligently searching for the right candidate who can provide strong leadership to guide the club forward in a positive and financially healthy direction. We have a great membership here at the Club and we need to make sure all aspects of our operations are held to the highest standards. The feedback we have been receiving shows there have been improvements to the service and food after some struggles last year, but we also know the level and consistency of service is not yet where we would like it to be. With that in mind, the Board is in the process bringing in additional training resources to the club. These resources are designed to help provide training in numerous different areas to improve customer service to the members, as well as providing a healthy and enjoyable work environment for all employees. Additionally, we are looking at some of our mid-level managers to take advantage of training and educational opportunities in the region, all with the goal of improving the quality and consistency of your Country Club experience.

In other news Bob and Scott will be doing everything they need to do to get the course and operations ready for play as soon as the weather allows it. Chef Calvin has been putting out some great food and is currently working on updates for the menu. Don't forget to look for the weekly club updates for the great specials Chef has been offering, they have been tremendously successful. Please keep the club in mind for hosting events over the summer; dinner parties, pool parties, weddings – you want to book now before dates fill up. Jennifer and Mary worked with Rick to put together a great wedding planner that is available on our website, feel free to pass it along to any prospective brides (or grooms) you might know.

On the calendar in April is the appreciation party for Randy Norvelle and his 27 years of service to the Club, on the 13th from 4-6pm with appetizers and a no-host bar. Early Bird Little Dilly entry deadline on the 15th, and bring the kids out to see the Easter Bunny at our Easter Brunch on April 21st, please call for reservations.

Finally, don't forget the current membership drive that is going on right now. For every member you refer, you get a credit toward your monthly dues!! The details are on page 7.

Shane Galles,
President, Board of Directors
