## FROM THE GENERAL MANAGER

Time for my favorite season of the year with beautiful weather and gorgeous Fall colors everywhere! I know, I know - that means "Watch out for Old Man Winter!" Let's just hope we have a mild October so we can continue to enjoy our beautiful golf course awhile longer.

Just a few things to mention this month: First, a big thanks to Scott and his crew for the great job they did all season with the golf course - even dealing with a few unexpected challenges. I have heard plenty of positive comments since my arrival about the condition of the course, in spite of the irascible irrigation system. Scott is a true professional and Casper Country Club is lucky to have him; be sure to thank him and his crew for the time and effort they put forth each day.

Second, I'd be remiss if I didn't thank Bob and his golf shop and service staff - they have done an excellent job all season and we appreciate their conscientious attention to the hundred and one details involved in keeping our pro shop and service areas something we are very proud of.

Third, I know you will agree with me that Chef Calvin has shaped an excellent culinary team. His knowledge and dedication to improving the quality and versatility of our menu is certainly evident in the positive comments we hear every day from our members. If you have not tried the new menu items lately you are missing out. Chef is continuing to try new items every month to keep it fresh and interesting so if you have a suggestion you'd like to see offered, use those comment cards and we'll see if your idea makes the list! (We might even name it after you when it is first offered!) Don't forget to try a few of the appetizers and dessert specials - along with a nice glass of wine to round out the perfect evening with friends. Our aim is to make Casper Country Club the best dining option in the city!

Next, Shannon and Jennifer have been developing the service staff and we are seeing the results. I've noticed the waiters and waitresses adopting a more professional attitude and I think as they do, we are seeing a sense of pride growing and don't we all like to feel proud of the job we do! If you have a couple minutes when signing your dinner check, please make a comment so we can pass it along to Shannon and Jennifer and your servers. Christmas party dates are nearly filled but talk to Jennifer if you still haven't made your event plans and let's make this the best party you've ever hosted!

Finally, a few dates to mark on your calendar for October: we begin with **Date Night Oct. 12<sup>th</sup>**; then **our Annual Member Meeting is set for Thursday October 17<sup>th</sup> at 6:00 PM**. (This is when we vote in the new board members and you want to be a part of that). If you haven't yet, get your special reserved seat for the **'Not To Be Missed Stag's Leap Wine Dinner' on October 24<sup>th</sup>**. A wonderful evening of 5- courses with specially paired wines served in a romantic candlelight setting with soft music and your favorite dinner partners. Reservations are required and limited and filling up fast! Our **Kids' Fall Harvest Party is on Saturday, October 26<sup>th</sup>, from 12 - 3 pm** with lots of games and pumpkin painting, and kid-friendly buffet - all for \$10/per child. Of course, we haven't forgotten you "Big Kids"; the **Adult Halloween Party with Haunted House**, Spooktacular buffet, games, and entertainment will scare the bejeeppers out of you on Wednesday, October 30<sup>th</sup> from 6 - 9 PM.
