CASPER COUNTRY CLUB

ON COURSE

March 1st will mark one year at Casper country club. Standing at the edge of our snow-covered golf course I reflect on my eight years of turf management in central Wyoming. There has been a couple of years that I aerified all my fairways the first week of March, and a couple of years where I never saw the grass until the first week of April. No two seasons are the same, every spring is different than the last. So here we are, waiting for the snow to go away, temperatures to rise, and grass to grow. I'm looking forward to the intense chaos and challenge of dragging the course out of winter and into golf season. The storms that litter the course with cottonwood branches, heavy rains that washout bunkers, more snow and cold, Ready, set, go!

I don't know what this season will bring, but I can tell by the winter golf program that I am not alone in being anxious for the season to turn and golf to begin. The crew is already calling about when to start. We are fortunate to have dedicated employees, who want this course to be the best it can be. In the meantime, stay warm, keep pounding those balls into the net, and we'll see you on the course...

CASPER COUNTRY CLUB

FROM THE GENERAL MANAGER

Well, you have once again surprised me with your support of the Club! A very special "Thank You" to all the members for making February a great month. The participation in our Valentine's Evening included 67 adults and 9 children joined our childcare event. A big thank you to Chef Calvin and his excellent staff for the amazing menu and to Shannon for managing the floor and for coming up with some tasty drink specials. Also, a thank you goes out to Jenn for taking care of the little ones while you dined.

We had 117 of our members take advantage of our 2020 Pre-Paid dues incentive program. Everyone who took advantage of this program will enjoy the golf and pool passes!

Now we prepare for "Moody March"! I've been told to expect snow one week and sunshine the next so we will need your continued support as we "swing into Spring". Soon the green grass will be peeking through and we will be gearing up for a great golf season. But first, let's begin with St. Patrick's Day on Tuesday, March 17th with special drinks and lunch and dinner specials in the Irish-themed tradition. Put on your best kilt, grab your favorite beer and celebrate with friends - just kidding about the kilt - please don't!

For all B-ball sports fans - March Madness NCAA Basketball Tournament games will be a great opportunity to come out and cheer on your favorite teams and enjoy special drinks, appetizers and bragging rights with some of your closest friends! Round 1 kicks off March 19th and 20th (Thursday & Friday). We will also have some specials on Saturday April 4th for the "Final Four". This should be a lot of fun so bring a few friends and cheer for your favorite team!

A couple other quick reminders: Easter Brunch is from 9:30am to 1:00pm on Sunday, April 12th. This is always a wonderful special day so please make reservations early so that the Chef and staff can plan the perfect dining experience for you. More information will be provided in the April Newsletter.

The second reminder is that the Club has many open dates available for your special event but to guarantee the most convenient for you, please call the office as early as possible and speak with Jenn so she can make sure your function is a huge success.

Lastly, as we mentioned last month, all Clubs around the U.S. need help in recruiting new members. We are putting together a drive for 2020 that we feel will excite new members to the club but also give back to current members. Details of the drive will be announced in the April Newsletter. To stay financially strong as a club and to maintain a weathering clubhouse and course we need a solid membership. Please help the Club by bringing in a new member or two (your doctor, lawyer, co-workers). If you have questions, please contact me about the membership drive.

See You At The Club! **Dale**

C A S P E R COUNTRY CLUB

FROM THE PRO SHOP

Well, it is almost “Spring” on the calendar and hopefully it will soon feel like it!

It is going to be a very busy and exciting 2020 season, and we are excited to facilitate great experiences for everyone this year. The Board and Golf Committee are very conscious of the golf schedule and sensitive to outside play. We are hopeful that this year’s schedule will again generate needed revenue for the entire club while providing a variety of playing opportunities for the membership.

In the area of lessons and clinics, the winter program will be ending March 21st. There will be more information on the player’s programs and Junior Golf in the April newsletter. If you need help with your golf game in the meantime let either Jayden or I know.

The Titleist Loyalty Rewards program will begin on March 19th and run through April 19th. This program offers the opportunity to buy 3 dozen Pro V1 or Pro V1x^s and get 1 dozen free with free personalization. Please call the pro shop or stop in to sign up for the program.

Last July 4th, the Casper Country Club held a Flag Tournament to benefit the Hunting with Heroes Foundation. Our own member, Colton Sasser, started this foundation a few years ago after being injured in Afghanistan. The Generous donations from those who participated and those who bought flags for the putting green raised \$7,500. On the following pages you will see the Military Veterans whose lives were affected by your generous donations.

We look forward to a great 2020 season!

I can't put it in words — I could probably put it in tears — but not words. The treatment these vets have recieved from this group and the people of Wyoming is a therapy in and of itself.

 Founded by veterans for veterans.

CASPER COUNTRY CLUB

Hunting with Heroes Wyoming was founded in 2013 by two U.S. Army veterans and Casper, Wyoming natives, Colton Sasser and Dan Currah. They have had the great privilege to host more than 1300 hunts for disabled veterans, bringing Heroes to Wyoming from all fifty states. Hunting with Heroes Wyoming welcomes veterans from all conflicts.

Thank you, Casper Country Club, for helping us give back.
