## From the General Manager

Well here we are at the start of July and this will be a summer to remember. From the COVID restrictions at the club to more restrictions no matter where you travel. As you now know Natrona County and Wyoming Health Departments have put directives out that directly affect how we conduct business. Tables must be limited to groups 6 people unless the group is solely comprised of members of the same household. The server who brings your order to you cannot bus your table. A third employee must sanitize your table when you leave. We cannot preset your table with condiments, water glasses or utensils. These policies apply to the dining room, patio, and upstairs ballroom. Even with special functions these directives still apply. We ask that our members be patient with our staff and to follow the directives to keep everyone safe.

On the bright side the pool, with lifeguards, and snack bar are now open for your enjoyment. We are limited by state directives that only 85 people are allowed in pool area at a time. You can now also book the pool for your pool party. Please contact Jennifer at 235-5777 ext. 4 for all the details.

Speaking of the pool, there have been 4 reported rescues in the past 20 days. Also, we have had children left at the pool while parents are either golfing or are in the clubhouse. According to club policy, "Children under 12 years of age must be accompanied by a responsible adult or childcare provider while in the pool area, unless the child is considered a qualified swimmer by the Lifeguard on duty." We want everyone to enjoy the pool, but we also want everyone to be safe. Please stay at the pool and make sure you children are able to swim on their own.

We are again offering 20% off on any bottle of wine on Tuesdays in the dining room. In our weekly This Week at Your Club email we will be advertising drink specials for the week.

Hope to see you at the Club soon!!
