CASPER COUNTRY CLUB

FROM THE GENERAL MANAGER

Summer is definitely upon us, with temperatures in the upper 90's. The rain we got the last part of June sure helped the golf course turn a bright emerald green, but it curtailed some of our outdoor activities. Scott and his crew are mowing grass and have the course ready for play.

As a reminder we are extending our Food & Beverage on Sunday and Monday effective immediately.

Monday - 11AM to 9PM bar and limited bar menu

Sunday - 7AM to 2PM bar and breakfast menu

12PM to 8PM bar and limited bar menu

Andrea, our Pool Manager, and her staff are organizing games on the Fourth of July. In observance of the Fourth of July, the club will have the same operating hours on Monday July 5th as a Sunday.

The committees are in the process of obtaining designs for a new bar poolside. They are also considering new and improved shade areas. All food for the swimming pool is being prepared in the main kitchen and delivered to the pool.

The Board of Directors and club staff would like to recognize and congratulate Alena Wagner for her 20 years of dedicated service to the Casper Country Club. Alena is the club's office manager, bookkeeper and all-around jack of all trades. We all say, "Thank you Alena for your many years of service".

I would like to at this time introduce Rene Grogan as our new Food & Beverage Manager. Please see Rene's bio below.

See you at the club! ~Dale

MEET RENE GROGAN

Hello CCC Members! My name is Rene Grogan (Hansen), and I am the new Food and Beverage Director. I was born and raised in Casper Wyoming. Graduated from NCHS and went on to Casper College and UW to pursue education. I have a Bachelors in Secondary Education Science and specialized in outdoor education. I was Director of the Audubon Center at Garden Creek for 2.5 years, and then went on to teach science at Roosevelt High School. All the while, serving and bartending part-time, and working at PVCC pro shop as well. I moved to Colorado to teach middle school in 2017, and missed Wyoming so much, that I moved back a year later. Since returning I have bartended and become a certified trainer at Old Chicago's, worked at PVCC in the restaurant and on beverage cart, and helped manage at the 19th Hole Restaurant. I have been golfing since I was 7... so you would think I'd be a pro, but rest assured, I won't be showing anyone up out on the course. I look forward to making positive changes where I can and growing within this position. Please feel free to reach out to me with any concerns or suggestions! I look forward to meeting you all!

ON COURSE

It's July, the golf course has hit its stride and our job is to keep it that way. After a 100-degree beginning of the month to a cool and rainy finish June kept us on our toes. With all the big tournaments coming up our goal is to keep playability up and drama down. We are babying the irrigation system through its last season with fingers and toes crossed. Repairs have been constant but manageable. We are looking forward to worrying about something else, bunkers, drainage, anything....

Enjoy the summer, it goes by so fast, see you on the course...

Scott McMillion, Golf Course Superintendent
