ON COURSE

My name is Adam Snively, I'm your new Golf Course Superintendent here at Casper Country Club. I'm excited to get going and look forward to having a successful season.

The golf course weathered great over the winter as all the greens are looking good for this time of year. We removed all the covers and the entire golf course is now open. Tees and fairways are in good shape, other than a few isolated areas. Our main focus has been cleaning the course up and getting bunkers ready for play. We have mowed greens twice so far, as the weather starts warming up and they start growing more we will start to push for faster green speeds.

I look forward to meeting and talking with you all on the course!

- Adam

Making a tee time is appreciated and may be done one week in advance. In particular, I'd like you to please keep in mind the daily play schedules, dress codes, and guest play policies outlined in the Membership Directory. Your fellow members and golf staff thank you in advance for your cooperation. If you have any questions, please let us know. Please check in with the golf shop before starting your round.

FROM THE GENERAL MANAGER

The weather has been cooperating and some members have had the chance to get out and play some golf. The course wintered well, and Adam and his crew are in the process of lowering green heights, cleaning up course debris and overall course maintenance.

The Board of Directors has decided to make some operational changes for the benefit of all members. Starting in May, the upstairs Bar and Dining Area will be open from 5:00pm to 9:00pm to all members for their dining experience on Wednesday nights. The downstairs hallway by the Men's and Ladies' locker rooms will be used by all for access and egress. The downstairs Bar and Dining Room will still be reserved for Men only on Wednesday nights. It is the hope of the Board of Directors that this operational change will meet everyone's needs. Please note the new hours for the Clubhouse and Golf Course during the month on May as listed on page 2.

Throughout May we will continue to offer the Pasta Bar on Thursday nights and the Prime Rib Carving station on Friday nights.

The swimming pool and snack bar are scheduled to open on Saturday May 27th. Kristen (Food & Beverage Manager) and Andrea (Pool Manager) have been working on hiring new staff in anticipation of the opening date. Andrea is working out the details for swim lessons and we will get that information to the membership in the weekly email in the near future. You can also reserve the pool for a private party on either Tuesday or Thursday nights. Please call Jennifer to check availability and save your date.

Todd and Brad have been working on some new ideas for Junior golf so please stop in the pro shop for more details. We have an exciting tournament season planned for 2023, please make sure to check out the tournament schedule (page 10) and see which ones meet your needs.

If you know of someone that would like to join the club, please have them contact me.

Thank you and hope to see you soon,

Bob O'Neill
General Manager

KRISTEN'S CORNER

Happy Spring everyone! Hopefully sunshine & warmer weather finds itself here sooner rather than later.

This is my first *Cheers*, so bear with me. My name is Kristen, I was born and raised in Casper alongside my siblings Jordan (30), Kate (28) and Ashlyn (16). I graduated from NCHS, and received my Associate of Science in Pre-Med and Associate of Arts in World Languages with a focus on Spanish at Casper College. It was during my time at CC that I realized my love of learning - so much so that I changed majors more times than I'll disclose.

I started my journey at CCC in the Spring of 2019 on the Bev Cart, where I first came to know many of the members. I started working events during the winter months and soon found myself bartending, serving, taking over as Bev Cart Manager, and becoming a Shift Supervisor. Over the years, I've had the opportunity of getting to know the membership - and the privilege of making friendships along the way.

If I'm being honest with everyone, a little more than half a year ago I never would have imagined myself to take over as Food and Beverage Manager of CCC. I've worked under four, myself, and have gained unique perspectives from each that I believe has helped me navigate the seemingly non-stop trials of my position. I'm grateful that I've experienced both the benefits and struggles of each position in the restaurant, as it has given me perspective and deep respect for others that I otherwise may not have.

With that being said, I want to thank the Membership for your patience and cooperation over the past year with the change we've made in efforts to make CCC your home away from home. I have seen every Department Head hard at work improving the Club so we can create the best possible experience for our members and am extremely proud of the team we have!

Recently, Bob and I have put lots of time and effort into implementing our new Point of Sale system and I have no doubt that it will be an integral tool for our staff by improving efficiency and timeliness of service in the restaurant. We appreciate your patience as we get used to the new system, but I'm happy to say it has been an amazing tool for communication between the restaurant and kitchen to provide a better experience for the membership. Bob, Chef Miranda and I have also put lots of thought into necessary changes regarding menu changes, and we appreciate the membership's patience and understanding with this as well.

Aside from that, we are gearing up for an amazing Summer and I am genuinely excited to see all these changes pay off for an overall better experience at CCC!

I want to thank every member of my team for their efforts and hard work, Jenn & Mary for their moral support, Chef Miranda for the incredible changes she's made in the kitchen, Bob for having faith in me and pushing me to believe in myself, and two very special members near and dear to my heart for their love and advice. It hasn't been an easy journey, but it has been beyond rewarding.

- Kristen
