KRISTEN'S CORNER

Those who are reading this are probably asking the same question as I am: How is it already September!? Unfortunately, I don't have the answer, but I would like to know who was responsible for the summer of '23 and have a couple words with them... We are all aware of the not-so-summery 'summer' we had, weather-responsible tournament cancelations, etc., but I know one thing for sure - it made me grateful for the handful of sunny days we have had.

On a lighter note, I want to wish the Membership a Happy Fall, and if all of us hope for warmer weather maybe we can get the sun's attention! I know this summer wasn't 'it', but the last several weeks of warmth are enough to celebrate and be grateful for! On that note, the facilities at CCC will not give up without a fight, and thankfully there's still some summer left! Myself and all Department Heads love to see the Members, and are hoping to see the Membership come out to the club and celebrate the next months of *fingers crossed* nice weather - whether at the pool, on the course or in the restaurant. CCC is always happy to be the Membership's home-away-from-home and see everyone's faces - new & familiar.

This month has lots of opportunities for members to come out and enjoy CCC's facilities. Whether playing in the Couples' Club Championship, Bird & Birdie, Twilight Night Golf, attending our events, enjoying a sunny day at the pool, or dining in the restaurant - we always look forward to seeing the Membership at the club and want to provide the best services and overall experience.

On a final note, I want to thank the Membership for their patience with staffing. This is a difficult time of year for all departments at CCC, as employees are returning to school, moving for winter, etc. Reflecting on the past year as Food & Beverage Manager, I've learned a lot. I'm happy to say that, despite being clinically clumsy, I believe I've graduated from my training wheels and am better prepared & more experienced in this position. I continue to get lots of positive feedback, remarks & ideas regarding the Club's operations, and look forward to implementing both the Member's & my ideas. You may have noticed I've been more active in helping daily operations during this period, and it has reminded me why I love being part of the CCC family - being able to spend time and interact with the Members is one of the things I value most about the Club.

Thank you for joining me in this month's *Cheers*, and let's show September what CCC & its Members are made of! (regardless of what *Green Day* says about "wake me up when September ends").

CASPER COUNTRY CLUB

FROM THE GENERAL MANAGER

As the weather starts to change from summer to fall the Casper Country Club will be going through some changes. The start of schools marks the return of many of our employees returning to their studies. With that being said, please be patient with the current staff as we are looking to hire additional employees.

The Pool and Snack Bar will close shortly. We will be watching the weather and make a decision on a hard date for the pool to close. We will inform you of that date when decided.

Adam Snively, our Superintendent, is planning on doing Aeration on the course on September 18th and 19th. This course maintenance is necessary to ensure healthy turf grass for the 2024 season. Please be patient through this process.

I would like to personally congratulate the following Tournament Winners on their stellar play:

Club Champions:	Men's – Jordan Malm
	Ladies – Cindy Cheney
	Senior – Mike Lockhart
	Derby – Cindy Cheney
	Junior Boy's – Isaac Schmidt
	Junior Girl – Bailey Watson
Member- Member:	Men's- Brock Rouch & Ty Haefele

Keep your eye out for TWAYC (This Week At Your Club), we will be detailing the upcoming weeks activities and specials.

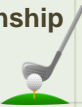

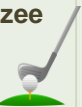

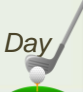

Fall is a great time for golfing, I hope to see you out on the course often to enjoy the beautiful fall days that are ahead.
