Halloween Fun at the CCC!

The kids (and adults) enjoyed the Halloween cookie decorating and the Halloween Family Bingo!

C A S P E R COUNTRY CLUB

FROM THE GENERAL MANAGER

The weather cooperated for most of October, and we saw a lot of members getting in their final swings of the season. This week looks promising for those of you who still have the itch for a couple more rounds of golf.

At the annual meeting it was announced that we would be hiring a new Executive Chef. I am happy to report that we have hired Matt Grosvernor. Matt has been in Casper for some time and was Executive Chef at the Derby Club, Botticelli, and The Bridgewater in Florence, OR. I have mentioned his name to a few members, and they have had his food previously and are excited to have Matt on board. Also mentioned at the annual meeting was to create a more “Seasonal Crafted Menu” that could be changed monthly to provide more variety to meet the memberships cuisine taste. With this “Seasonal Crafted Menu” we will have fewer options in hopes to control Cost of Goods Sold, Quality and Consistency. With the size of our current menu, the amount of prep time, ingredients, number of items, etc., it is very difficult to meet the expectations of the membership.

I encourage all members to support this change and give Matt and his staff the opportunity to show you what they are capable of. Matt will make some changes immediately and other changes will happen gradually over the next 2 months, with the new menu fully implemented in January of 2024. Our hope is that Chef Miranda and Chef Matt will team up and provide us with 2 fully qualified Chefs to meet the needs of the membership.

Kristen Cooper, our Food and Beverage Manager, held a staff meeting with all the server's this past week. Kristen is providing additional training for the staff and with the addition of Matt, our hope is to provide you with an exceptional dining experience.

Chris Moore, our Facility Manager, has recently finished the painting of the pool. Chris used a chlorinated rubber-based paint that will hopefully last 4 to 5 years. He also, painted the Antelope logo in the bottom of the pool and it is impressive. Chris, thank you for all you have done this year with our aging facility!!!

Keep your eye out for TWAYC (This Week At Your Club), we will be detailing the upcoming week's activities and specials.

Bob O'Neill
General Manager

C A S P E R COUNTRY CLUB

KRISTEN'S CORNER

Is it November already? I hope the Membership had a safe and fun Halloween and overall wonderful October. We've had a beautiful Fall so far, so fingers crossed that the flakey cold white stuff stays away a bit longer.

CCC is excited to announce that we will be hosting live music Friday nights, so bring your friends, family and loved ones to the Club and enjoy dinner and a specialty cocktail (or two) while supporting our local musicians. Although the Club has switched to Winter hours, we still welcome you to join us for breakfasts, brunches, mid-day appetizers, dinner with drinks and everything in between. Also be sure to stop in for our daily Happy Hour from 4pm-6pm.

Since Summer is over and it's not quite Holiday season, November is one of the months where the Club starts to slow down, but I'd still love to see the Members enjoy time away from work, responsibilities, and the craziness of life at your home-away-from-home - CCC. We love to interact with and catch up with the Membership - whether you're here once a week or every day we are always here to welcome you home.

Until next month, I wish the Membership a cozy November and enjoyable get-togethers with family and friends. Thank you for joining me in this month's *Cheers*

Kristen

ON COURSE

As a busy golf season comes to an end, we are focused on getting the golf course ready for winter. Greens were mowed for the last time a few weeks ago as I'm letting them get nice and shaggy for the cold temps ahead. We will topdress them with sand for added protection before we put greens covers down. We've stayed busy, with some tree removals on 6, 9, 11, and 12. Leaf cleanup is ongoing, our crew has been working hard blowing, sweeping, and mulching leaves as much as possible. We are planning irrigation blowout the first week of November followed by covering greens and putting pallets in the bunkers to minimize sand loss.

Thanks for an awesome season!

Adam Snively
Golf Course Superintendent

CASPER COUNTRY CLUB

FROM THE PRO SHOP

October provided some fantastic fall golf and, unfortunately, we are getting ready to put the course to bed for the winter months. Even though we cover the greens, the course will sporadically be open to play on nice days. Please call the golf shop if you feel the urge to play this off season. We will have minimal staff and are at the mercy of the weather concerning allowing golf cars on the course. The small driving range will remain open and we have put a large bucket of balls out for your enjoyment.

November Shop hours:

Tuesday through Saturday 10:00 am – 4:00pm
Sundays and Mondays Closed
Depending on weather and activity

If you need your clubs or push carts, please plan accordingly with the above hours of operation. We will be happy to accommodate you during the off-season.

This winter's 10-week lesson program will start Tuesday, January 9th. We will be offering lesson from 10am-6pm Tuesday, and Thursday through Saturday and 1pm to 8pm on Wednesday. Call the Pro Shop or stop in to sign up!

Couples	\$750.00
Single	\$450.00
Junior	\$350.00

*Less \$25 if paid by cash or check before January 1, 2024.

The Pro Shop staff would like to wish all of the Members a Happy Thanksgiving! The Pro Shop will be closed November 22nd - November 27th.

Christmas is just around the corner and we still have inventory and we can special order items as necessary to meet your needs this holiday season.

Thank you and have a great holiday season!

Todd Schafersman, PGA
Head Golf Professional
