Holiday Closure

The Casper Country Club will be closed Sunday, December 24th – Tuesday, December 26th for the Christmas Holiday. We hope all of our members have a wonderful holiday and, if traveling, stay safe.

Christmas Decor

Many thanks to Mary McPherson and Joanie McMillion for all their hard work in decorating the clubhouse for the holidays.

They started gathering everything together in early November and making their decorating plans. We hope you enjoy their efforts.

CASPER COUNTRY CLUB

KRISTEN'S CORNER

December is here and the New Year is among us! I hope that the Membership had a bountiful and safe Thanksgiving! As we all know, December is a busy time of the year for the Club. We have lots of Christmas parties this year and will be closed for Dinner Service on several occasions due to large parties - so please be sure to read the Club's Weekly Newsletter and stay up to date on restaurant hours!

As I'm sure most of the membership is aware, the Club has welcomed Cheff Matt to the team and we've had lots of positive feedback in regards to the new items he has brought to the menu. With that being said, Casper Country Club's goal is to guarantee the best experience for each member. With respect to the menu, Cheff Matt has created an array of wonderful and diverse items in hopes of providing an overall better dining experience when it comes to the consistency and quality of food we provide. Although this menu is different from the previous, the Club is hopeful that by pairing down the menu the kitchen will be able to provide better quality food while also limiting waste of product that was not being sold. As always, I welcome the membership to provide feedback (on quality of food, quality of service, etc.) so what we can continue to review and improve each member's experience! The Restaurant has seen an increase in dining since Cheff Matt began showcasing his new specials. If possible, please feel free to call the restaurant for reservations (especially with larger parties) so we can provide you with the best possible experience.

I want to thank the membership for their patience and willingness to embrace this new menu and all the changes CCC has been making.

Wishing you a Merry Christmas and Happy Holidays -- Kristen

ON COURSE

Hopefully everyone is having a great holiday season with family and friends. We have been working to get the golf course ready for the winter months, this includes tree trimming, getting pallets in bunkers, covering greens, and blowing out irrigation. I want to give a big thank you to my entire staff for coming in and knocking out greens covers on short notice. Joanie and Mary have been working hard getting everything decorated and ready for the Christmas season. Hopefully we start getting some good snow and the golf course sleeps well over the winter. Merry Christmas and I look forward to seeing everyone when the temps warm up.

FROM THE GENERAL MANAGER

I hope this finds everyone well and all had a wonderful Thanksgiving.

I would like to thank all the members for their Employee Christmas Bonus contributions. All the employees truly appreciate your generosity and your appreciation for their efforts throughout the year.

We will inform you of Dining Room closures due to scheduled Christmas Parties. Please pay attention to your weekly emails, text messages from the club and the December calendar.

Speaking of the Dining Room, many of you have come out and tried Chef Matt's Cuisine and for those of you who have not had the opportunity you're missing out. Back in August the House Committee and I talked about making an organizational change and bringing in a new chef. We also talked about COGS (Cost of Goods Sold), this is a key indicator as to the effectiveness of the current menu and how we utilize the ingredients that are brought in to execute the menu. After much discussion it was decided to pair-down the menu and offer fewer items but be more consistent and have better quality with the menu choices. By pairing down the menu it will be easier to control COGS and cut down on the waste that we have been experiencing.

The consensus so far has been very good. Members are enjoying a higher quality of cuisine, expanded flavors and items that you cannot find anywhere else in Casper. With that being said, anytime we make a change to the menu there is a considerable amount of discussion and input from the House Committee, the Chef and myself. These decisions are not easy and sometime unpopular with the membership. Some of your favorite items have been eliminated and the reason behind that is we were throwing out more food than we were selling for that item on the menu. I encourage all members to give the new menu a chance and keep in mind that we will changing the menu options frequently throughout the year to keep the menu fresh.

I would personally like to wish all Members a Happy and Healthy Holiday Season.
