CASPER COUNTRY CLUB

FROM THE GENERAL MANAGER

I hope this finds everyone well and all are having fun whether you are down south or still here in Casper!

Adam and his crew are keeping up with all of the winter chores that need to be done and the occasional snow removal. Todd and Brad are busy with the winter program and the feedback from members has been positive.

Chef Matt and his team have been doing a great job in the kitchen and the comment cards have also been positive. Chef Matt launched his new menu about a week ago and the feedback has been great, if you haven't had the opportunity to try it, you are missing out! Kristen has continued with her team training and the customer service on the front of the house and the members have commented that the service has been exceptional. Thank you to all the department heads for their efforts throughout the winter months.

If you have not yet signed up for the text platform, please email Mary at mary@caspercountryclub.com. This platform is a great way to get information into your hands in a timely manner, so I encourage you to sign up.

We will be doing the carry-out Super Bowl packages again to cater your Super Bowl party. Please see the menu in this month's cheers! Valentine's Day menu is also included in this month's cheers. This is a very popular experience, and we ask that you call to make a reservation.

Bob O'Neill, PGA General Manager

CASPER COUNTRY CLUB

FROM THE PRO SHOP

This winter has been nothing but uneventful! Along with the winter program, the golf shop and the golf committee have been working hard at providing a few exciting new things for the 2024 golf season! Below we have provided a brief description of some of the things to come along with our golf shop hours. Please see below and call if you have any questions or concerns. The golf shop is here for you!

1. Golf Shop Hours:

- Sunday and Monday: Closed
- Tuesday, Thursday, & Friday: 9:00am to 7:00pm
- Wednesday: 12:00pm to 8:00pm
- Saturday: 10:00am to 6:00pm

2. Upcoming Events:

- a. Save the date for the Little Dilly Member-Guest on June 21st-24th
(Registration will open on Friday, March 15th @ 9:00AM MST- Set a reminder!)
- b. The Golf Shop will be closed from February 16th-21st for the annual Mesquite golf trip.
- c. Callaway Demo Day: March 9th @ 12:00pm-4:00pm (Indoor and must sign-up with the golf shop.)
- d. PXG Demo Day: March 23rd @ 12:00pm-5:00pm (Indoor and must sign-up with the golf shop.)

3. New Technological Advancements:

- a. Cap Patrol: A product used by 1,100 clubs and courses nationwide and more than 620,000 golfers that will monitor our tee sheet and the USGA GHIN handicap system. Cap Patrol will give us up-to-date reports that will give recommendations on accurate tournament handicaps. This new system will help with the longevity of our events and create a more equitable playing field. The USGA is looking at purchasing Cap Patrol or developing a program like Cap Patrol, so Casper Country Club will be one of the first clubs in Wyoming to utilize the product before it goes live with the USGA. All players that have a GHIN handicap will be required to be involved in this new system. The cost will be added to the increase of the GHIN dues. More details at www.cappatrol.com or Google Golf Digest's "How to catch a sandbagger".
- b. USGA GHIN Handicap: The Wyoming Golf Association has effectively merged with the Colorado Golf Association. The direct result has increased our GHIN dues \$10 beginning in 2024. We currently charge \$50 for a GHIN. The GHIN fee for 2024 will become \$70 per player and we would like all golfers to have a GHIN handicap. (All CCC events require an active GHIN.)
- c. Shopmyshop.com: An online store where members can purchase products with Casper Country Club's logo. The site will provide members with an increased variety of golf clothing like Peter Millar, Greyson, Johnnie-O, Ralph Lauren, Lululemon and many others. This option could be a great place to order your team uniforms for Member-Guest, Member-Member, Parent-Child, Par, then bar, etc... (We are not up and running yet but more details to come!)
- d. Online Tee Sheet: Access and book tee times through the same login portal used for viewing CCC bills. Please test it out!

We hope you continue to have a great winter and, again, come and see us at the shop so that we may assist you with any of your "golfing" needs.

Todd Schafersman,
PGA Head Golf Professional

C A S P E R COUNTRY CLUB

KRISTEN'S CORNER

Happy February everyone! We made it through January, and somehow the year already seems like its blowing by. I was talking with one of the Members not too long ago, and they told me how much of the year is left. Fun fact, we are 8.5% through this year already!

I could probably go on and make this *Cheers* all about fun facts, but I'll stop myself while I'm ahead. As for actual, relevant information regarding CCC, we are very excited for some amazing events coming up. We will be having a wonderful Valentine's Day Dinner with specialty cocktails and live piano on Wednesday, February 14th. Be sure to make a reservation with Jenn before we fill up! We will also have some fun Valentine's Day cookie decorating for the kiddos. In addition to those, the Event House Committee, Jenn, Bob and I sat down and had some really great conversations about possible fun and unique events!

With Chef Matt, CCC recently rolled out a new Breakfast, Lunch & Dinner menu. After personally tasting food from the new menu, and hearing lots of positive feedback, I am so excited for the Membership to come out and enjoy the food that Chef Matt & the kitchen have been working so hard on. I truly believe we have taken leaps forward in our dining experience, but I encourage each Member to come out to the Club, enjoy some food and drinks, and give us their feedback as well! I have definitely seen an increase in the Membership coming out to the Restaurant this winter, and I couldn't be happier!

In addition, as Superbowl Sunday approaches, we will be offering several Take-Out options for the Membership to enjoy while they watch the game with friends and family. The Superbowl Menu/Packages will be posted soon, so make sure to call the restaurant to place your order & pickup time!

I want to take a moment to thank the Membership for being so vital to the club, for giving CCC the opportunity to grow, for being patient and willing to accept the changes we've made over the last years, and for continuing to support CCC!

Since we started with fun facts, I think it only appropriate we end with one: Australia is wider than the moon.

Here's to an amazing February, great weather & good times!
Kristen
